Art Unit: 1795

1. The examiner acknowledges the cancellation of claims 18, 19, and 21 and the amendment to claim 1 filed on Jan. 7, 2008. Claims 1, 8-11, 16, and 20 are pending.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Peter Hagerty (Reg. No. 42,618) on Jan. 14, 2008.

The application has been amended as follows:

Claims 1 and 11 have been amended as follows:

In claim 1, at line 4, delete the phrase "a copper atom" and insert the phrase -- an element --; and

at line 5, after the term "copper phthalocyanine," insert the phrase -- , wherein the element is copper --.

In claim 11, at line 5, delete the phrase "toner of claim 1 is used" and insert the phrase -- developer comprises the toner of claim 1 --.

Application/Control Number: 10/734,942

Art Unit: 1795

3. The examiner's amendment to claim 1 set forth in paragraph 2 above avoids a rejection under 35 U.S.C. 112, second paragraph, for lack of unambiguous antecedent for the term "the element" in the phrase "the toner has an isolation ratio of the element of not more . . ." (emphasis added).

The examiner's amendment to claim 11 removes any ambiguity as to what is the relationship between the toner of claim 1 and the image forming method recited in claim 11.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Janis L. Dote whose telephone number is (571) 272-1382. The examiner can normally be reached Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Mark Huff, can be reached on (571) 272-1385. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Any inquiry regarding papers not received regarding this communication or earlier communications should be directed to Supervisory Application Examiner Ms. Claudia Sullivan, whose telephone number is (571) 272-1052.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
